- 1 whistle: still like a tree
- 2 whistles: back to base
- 3<sup>rd</sup> rule have fun and learn

We should also always respect nature  
such as the trees and animals.

We watched to see if our worms had been found then counted to see if more of the red or green worms were found and discussed why.

# TREES

Northern Ireland Forest School Association

Roots, trunk, branches and leaves. We learnt the word photosynthesis and why trees were important.

# TREES

We look for sticks and leaves to make our own tree. Remember not to break anything living.

# TREES

We use bamboo canes to make our picture frame. Then we start our tree pictures.

# TREES

Our trees are really starting to take shape, well done.
