# Banana boats

Use cubes or counters.

1 Share 14 children equally among 4 boats.

How many in each boat? \_\_\_\_\_ How many left over? \_\_\_\_\_

2 Share equally among 4 boats.

$$11 \div 4 = \underline{\quad} r \underline{\quad}$$

$$22 \div 4 = \underline{\quad} r \underline{\quad}$$

$$15 \div 4 = \underline{\quad} r \underline{\quad}$$

$$25 \div 4 = \underline{\quad} r \underline{\quad}$$

3 Now do these.

$$19 \div 2 = \underline{\quad} r \underline{\quad}$$

$$11 \div 2 = \underline{\quad} r \underline{\quad}$$

$$22 \div 3 = \underline{\quad} r \underline{\quad}$$

$$8 \div 3 = \underline{\quad} r \underline{\quad}$$

$$19 \div 3 = \underline{\quad} r \underline{\quad}$$

$$26 \div 3 = \underline{\quad} r \underline{\quad}$$

$$23 \div 5 = \underline{\quad}$$

$$20 \div 5 = \underline{\quad}$$

$$19 \div 5 = \underline{\quad}$$

$$12 \div 5 = \underline{\quad}$$

$$15 \div 2 = \underline{\quad}$$

$$18 \div 3 = \underline{\quad}$$
