Primary School

Pink Day for Action Cancer

Join us for a community initiative

We are delighted to share that Anahilt Primary School has been invited to take part in a special community initiative **next Friday, 17th October**, in support of Action Cancer (Breast Screening) , the chosen charity of the Mayor of Lisburn and Castlereagh - Amanda Grehan.

In partnership with the Annahilt and Magheraconluce Community Association (AMCA), a village collection will be held, and we are proud to play our part.

Here's how our school will be involved:

Uniform-Free Day: Pupils are invited to wear something pink in support of Action Cancer. Please bring £1 donation which will be **collected at the school gates** by members of the community. They will be present at drop-off and pick-up and can also collect donations from parents and carers.

We hope this will be a meaningful and enjoyable day for our pupils, while also helping to raise awareness and funds for a very worthy cause. Thank you, as always, for your continued support.
