Primary School

2 October 2025

Dear Parents,

We are continuing with our online booking system for our parent-teacher interviews this year. This will allow you to book appointments for the parent-teacher interviews scheduled for the week beginning 13 October. As already communicated **school will close at 1:15pm for all pupils this week.**

For those of you with multiple children in the school, we understand the importance of convenience. **To accommodate this, parents with 2 or more children will receive a link first this afternoon.** This will provide you with more options to arrange your interviews at times that suit you best. **All other parents will receive the booking link on Friday morning (3 October)**

Booking is easy! Simply click on the specific link sent via the school text and select a time that works for you. **Please remember to click on a separate text link for each class your children are in.** It is crucial that you do not book the same time slot for different teachers. For instance, if you have a child in P6 and another in P2, you might choose to book Miss Carson at 2:15 pm and Mrs McCune at 2:45 pm.

We fully appreciate that child minding and time off work can be a challenge for many families.

**Therefore, this time there is also the option of a phone call instead of a face-to-face interview.**

To do this please follow the same link and ensure to indicate this when making your booking.

Afterschool will also operate from 1:15 – 4:00 and due to extra staffing during the school day we can accommodate up to 24 rather than the normal 16. If booking please just view the 2-3pm session as starting at 1:15pm for this week only.

Thank you for your co-operation, and we look forward to seeing you during interview week!

Regards,

**A SMYTH**
