Dear Parents and Carers

The Minister for Education has recently announced two additional School Development Days to support schools as we prepare for the implementation of changes to the new curriculum under the TransformEd initiative. These days are designed to give school staff the time needed to plan, train, and ensure a smooth transition to the updated curriculum framework.

To help minimise disruption for everyone, we have rearranged our school calendar so that Friday 26 June will be the final day of term for pupils.

We will then use Monday 29 June and Tuesday 30 June as additional School Development Days. School will be closed to all pupils on these two dates, while staff take part in essential training and preparation activities.

Should you have any questions, please do not hesitate to contact the school office.

Regards
