

There are no plans to close the school tomorrow due to Storm Chandra.

Be aware however that there are a few external issues that may arise throughout the day:

1. Parents should be aware of the potential for disruption to school transport tomorrow as, in some cases, they may have to make their own transport arrangements for their children, especially for pick up.
2. School catering may be affected, however I will not know until tomorrow during work hours. We will deal with that when it comes.
3. If the heating or electric is off, we have to close.

Keep an eye on the website and text messaging service for any changes / adaptations.

Regards

AS
